

Support St Mary's School Expansion

This valuable Local Service needs your help

Dear Resident,

As your local Conservative candidates in the May election, supported by Kelly Tolhurst your parliamentary candidate, we ask you to support us in our fight to get our school expanded.

St Mary's Island School is a victim of its own success. Under the leadership of its Head and hardworking team, it is now severely over-subscribed with no places left.

As we approach the next phase of the Island's development we want to make sure families have the chance to send their children to the best school closest to their home.

Please sign the petition on the reverse and return to the freepost address.

Thank you.

Expand St Mary's School

Please sign our petition

I support the expansion of Saint Mary's Island School and wish to petition Medway Council to include it in its school development plans.
